# Art Talks

Free Public Lecture

Lorraine Connelly-Northey

Lorraine Connelly-Northey reinterprets traditional Aboriginal implements and clothing using found materials including discarded fencing wire, rusted tin and weathered iron. The artist's practice is ecologically sound and references the traditional grass and sedge weaving techniques indigenous to the women of the Mallee and the Riverina.

Lorraine will be speaking at Holmesglen's Chadstone campus in a free public lecture.

**Refreshments will follow the lecture.**

**When:** 6.00pm, Thursday  
5 August 2010

**Where:** C1.2.02  
Holmesglen  
Chadstone campus  
488 Batesford Road
